LAINE ET CHANVRE

A17277

A faux uni with a sensual consistency and a refined look. A dense web of weaves and materials such as wool, cotton and hemp. Organic and natural, wool and hemp have antibacterial, heat insulation, breathable and soundproofing properties. Suitable for decoration.

Un falso unito dalla consistenza sensuale e dall'aspetto raffinato. Una ragnatela densa di intrecci e materiali, quali lana, cotone e canapa. Organiche e naturali, lana e canapa possiedono eccezionali proprietà antibatteriche, termoisolanti e insonorizzanti. Adatto per decorazione.

Un faux-uni caractérisé par sa consistance sensuelle et son aspect raffiné. Une dense toile d'araignée de tissages et de matières telles que la laine, le coton et le chanvre. Organiques et naturels, la laine et le chanvre possèdent d'exceptionnelles propriétés antibactériennes, isolantes et insonorisantes. Convient à la décoration.
