JAVA WALL - NERO

A23043-1

Rotogravure on nonwoven fabric of the lampas of the same name. The wall covering reproduces the play of light and shadows. The superimposition of metallic and opaque silhouettes is reminiscent of Japanese lacquer. In the foreground, elements of vegetation with graceful shapes, possibly kentia.

Rotocalco su TNT del lampasso omonimo. Il rivestimento murale ne ripropone il gioco di luci ed ombre. La sovrapposizione di silhouettes metalliche ed opache ricorda le lacche giapponesi. In primo piano elementi di vegetazione dalle forme aggraziate, forse kenzie.

Impression rotative sur papier intissé TNT. Le revêtement mural reproduit les jeux d'ombres et de lumières de l'imprimé homonyme. La superposition des silhouettes métalliques et mattes rappelle les laques japonaises. Le premier plan est embelli d'éléments végétaux aux formes gracieuses, peut-être des palmiers Kentia.

Full width simulation (=~70 cm)
