SHOGUN - AVORIO

A30227-2

Suitable for sheers, it is available in a highly sophisticated and particularly rich range which contains delicate and “super-fine” colours and also very lively and solid shades.

Adatto per tendaggi, è declinato in una palette sofisticatissima, particolarmente ricca, che comprende colori delicati e “impalpabili”, ma anche toni vivacissimi e pieni.

Idéal pour voilage, il est disponible dans une gamme ultra sophistiquée, particulièrement riche, qui comporte des coloris délicats et «impalpables », mais également des teintes vives et pleines.
