BETTY BOOP

A30325

As seductive and fanciful as the cartoon heroine Betty Boop. This sheer is characterized by a precious and elegant embroidery made of very small "polka dots" in relief on a very light ground.

Una tenda che porta il nome di un personaggio dei cartoni. Su un fondo leggerissimo, quasi impalpabile, si sviluppa ordinatamente un ricamo capriccioso e prezioso fatto di piccoli "pallini" irregolari.

Séduisant et capricieux comme l'héroïne du dessin animé Betty Boop, ce voilage est caractérisé par une broderie élégante et précieuse faite de petits pois en relief sur un fond très léger.
