VELARIUM

A30476

Flame retardant curtain in Trevira CS, in double width. Lightweight, almost impalpable, it reveals a barely there filigree. Available in 4 colours.

Una tenda ignifuga, in Trevira CS, in doppia altezza. Leggera, quasi impalpabile, lascia intravedere in trasparenza una filigrana quasi sussurrata. È disponibile in 4 colori.

Un voilage ignifuge, en Trevira CS, en double largeur. Léger et presque impalpable il laisse entrevoir en transparence un filigrane à peine esquissé. Disponible en 4 coloris.
