## PINA COLADA

### A30482

Created by breaking up a pattern - cut into many strips, then manually woven together. And it is precisely the weaving that creates a three-dimensional effect. Basically two-tone, Piña Colada is available in 4 brightly coloured versions.

*Nasce dalla scomposizione di un disegno: tagliato in tante strisce, successivamente intrecciate tra loro. Ed è proprio l'intreccio a creare un effetto di tridimensionalità. Fondamentalmente bicolore, Piña Colada è declinato in 4 varianti dai colori brillanti.*

Issu de la décomposition d'un dessin, ce tissu est découpé en de nombreuses bandes qui sont ensuite enlacées les unes aux autres. Et c'est justement ces entrelacs qui créent l'effet de tridimensionnalité. Essentiellement bicolore, Piña Colada est décliné en 4 variantes de coloris brillants.
