JASAAN

ATD062

Jasaan fabric represents a canneté effect shaped basket weave pattern. This exquisite, delicate fabric is strengthened with vibrant colours.

Jasaan presenta un canneté simile all'intreccio di un cestino. Una palette colori vivace dà ancora più forza a questo tessuto ricercato e delicato.

Jasaan offre un cannelé imitant la vannerie d'un panier. Une palette de coloris vifs apporte encore plus de force à ce tissu recherché et délicat.
