HOUSTON

ATE018

Inspired by the Dreamstone – an extraordinary marble from the southwest of China – marbled texture is shaped into a large-scale pattern, enriched with precious silk and metallic yarns.

Ispirata ad un marmo straordinario proveniente dal sud est della Cina, la texture, che riprende le venature, è arricchita da una preziosa seta e da filati metallici.

Inspiré par un marbre extraordinaire du sud- ouest de la Chine, ce tissu à la texture marbrée forme un large motif enrichi de soie précieuse et de fils métalliques.
