## CANTERBURY

### ATT004

Double width, flame-resistant curtain. An ivory colour yarn is used on a super-lightweight ground similar to organza which creates an irregular "millerays" effect. A clear reference to the instantly recognizable Armani style.

*Tenda ignifuga in grande altezza. Su un leggerissimo fondo simile all'organza si sovrappone un filo avorio che crea un effetto "millerighe" irregolare. Un chiaro riferimento all'inconfondibile stile Armani.*

Rideau ignifuge en grande largeur. Un fil ivoire se superpose à un fond très léger similaire à l'organdi, ce qui crée un effet « milleraies » irrégulier. Une référence évidente au style incomparable d'Armani.
