GRANADA

ATT015

This sheer has a highly tactile effect thanks to vertical linen yarns. The different shades of linen yarns give a natural look to the fabric. GRANADA is suggested to be railroaded.

Questa tenda presenta un effetto materico grazie a filati di lino in ordito. Le differenti nuance di questi filati donano al tessuto un aspetto naturale. Si suggerisce di ruotare GRANADA.

Ce voilage offre un effet de matière grâce à ses fils de lin dans la chaîne. Les différentes nuances de ces fils donnent au tissu un aspect naturel.
